

UAHuntsville CLEP Subject Examination Information
(Effective with August 2008 Test Administration)

CLEP Subject Examinations

Credit by CLEP subject examination is allowed if the appropriate academic department has approved the CLEP test for use by the University. Credit awarded for CLEP subject examinations will be recorded on the student's record without grades or quality points and will not, therefore, be included in calculation of the grade point average. If a student does not pass a CLEP test, no record is placed on his or her transcript. Subject examinations may be retaken six months after initial testing. Listed below are UAH courses in which a student may receive CLEP credit, along with specific CLEP test titles and minimum score requirements.
